“Stage and Screen”

The Marlins are a family of singers/musicians including Steve (dad), Lucy (mom), and their 5 children. The family are all very musical, play multiple instruments and all harmonize naturally. There is always music in their home. Music connected Steve and Lucy when they were young including being in a high school band. The family feels honoured and excited to share their musical gift as well as the magic that music brings.

Levi Wathke started playing piano at Chesley District Community School when he was five and then moved on to Guitar when he was 11. He started taking vocal lessons at 13 and continues to learn all of those. Now at 16 Levi is playing in a band named Switch, learning new instruments and is performing at gigs all over Grey Bruce from Desboro to Owen sound to Chesley and now Hanover.

Stage and Screen is composed of ... John Todd, Jane Siegel, Judy Shrubsole, Dave Shrubsole, Sarah Kehn and Elaine Pearce. They will thrill you with songs from hit movies and stage productions.

Surrendered is a men's acapella gospel group who love singing for the Lord!

VOH Zimbabwe: School Prayer Session September 10, 2024

As the new school term approached, Hope Community Church held a special prayer session for the children. This tradition is important to our community as it emphasizes the significance of prayer, not only for our children's academic success but also for their emotional well-being and spiritual growth.

The transition back to school can be both exciting and daunting for children and their families. For some, the term marks the start of intense exam preparation, which can bring a mix of anticipation and anxiety. It's essential for us as a community to support our children through prayer during this time.

The session also included members of the church leadership sharing words of encouragement for the children.

Our children encounter various daily stresses, from academic pressure to social dynamics and mental health struggles. Through prayer, we seek divine assistance in guiding them through these challenges, granting them strength and wisdom as they grow
