

VOH Zimbabwe: Outstanding Academic Success

March 2, 2025

At VOH Zimbabwe, we are thrilled to share an incredible milestone—our schools have achieved a 100% pass rate in the 2024 national Grade 7 results and an impressive 73% in the O-Level results!

This outstanding success is a testament to the dedication, perseverance, and collective efforts of our teachers, school administrators, students, and parents.

Achieving such remarkable results, despite the challenges we continue to face, is no small feat. It speaks to the unwavering commitment of everyone involved in shaping the future of our children.
